Review: I'm really struggling with how to rate this one. Lydia Millet is undeniably brilliant, and reading a novel like this makes me feel like I'm being dropped into the mind of someone smarter and more insightful than I could ever hope to be. Personally, I gravitate toward that kind of challenge. It's a privilege, really, to bear witness to such an incredible...

Description: As a wealthy, young real-estate developer in Los Angeles, T. lives an isolated life. He has always kept his distance from people — from his dotting mother to his crass fraternity brothers — but remains unaware of his loneliness until one night, while driving to Las Vegas, he hits a coyote on the highway. The experience unnerves him and inspires a transformation...
